Product Traceability:

Product traceability will be ensured based on lot number.

Date of Implementation: Q4 2016

Planned Qualification Test:

Change will be fully qualified in order to fulfil product requirements and specifications. Among others, temperature humidity as well as temperature cycling stress will be executed. A detailed Qualification Report will be available upon request.

We ask for your kind cooperation in supporting this change.

Please be advised that unless we received your written refusal concerning this PCN in writing within 30 days, the PCN shall be deemed accepted.

If you do have further questions, please do not hesitate to contact me.

With best regards,
